

16-27  
STATEMENT BY SENATOR STROM THURMOND (D-SC) FOR CZECHOSLOVAK  
NATIONAL COUNCIL OF AMERICA, JULY 29, 1958.

I know that I am expressing the sentiments of the freedom-loving people of South Carolina in saluting, with admiration and respect, the indomitable spirit of the enslaved nation of Czechoslovakia.

"Truth, crushed to earth, shall rise again." I am confident that the people of Czechoslovakia will succeed in reestablishing democratic government and will take their proper place among the free nations of the world.

I wish to take this means to express my best wishes to the Czechoslovak National Council of America on the occasion of the 40th anniversary of the birth of the Czechoslovak Republic and the 10th anniversary of the death of Jan Masaryk.
